Hold  for 5 seconds, flashing light will indicate the item is locked. For unlocking, hold  again for 5 seconds, flashing light will indicate the item is unlocked.

VIBRATING MODES

HARE CARE™

Cleaning, Storage & Safety

1. Always clean your rabbit thoroughly before and after each use.

2. We recommend using a premium water-based lubricant when needed. Silicone-based lubricants are not recommended and can cause damage to the product. Never use hand cream, or massage oils as lubricants for your intimate areas.

3. To properly clean your rabbit, use a suitable silicone-compatible toy cleanser. If this is not available, wash the silicone area of your rabbit with luke-warm water and an antibacterial soap. Rinse clean and pat dry using

a lint-free cloth or towel. Do not use cleaners containing alcohol, petrol or acetone.

4. Avoid leaving your rabbit in direct sunlight and never expose it to extreme heat.

5. Our products are designed to be splash-proof. Never immerse your rabbit in water.

If your rabbit appears to function abnormally, turn OFF and consult our customer care section on TheRabbitCompany.com where you will find help tips. Should you require further assistance please contact: customercare@TheRabbitCompany.com
